Han Moo Kwan Tae Kwon Do Club Members,

As the fifth Chief Instructor of this club, I am truly honored. I treat this responsibility very seriously and will do the best I can to maintain and promote the style and form of Han Moo Kwan and continue Mr. Kim's legacy in the footsteps of those before me.

I have spent quite a bit of time over the last year during the transition thinking about this responsibility and I have laid out three primary objectives to help keep me on track.

- 1) Maintain and promote the style, form, and philosophy of Han Moo Kwan Tae Kwon Do emphasizing its use for self-defense and for improving oneself physically, mentally, and spiritually.
- 2) Provide an environment for students to excel in the art form, at their own pace, recognizing their accomplishments through formal testing and promotions
- 3) Prepare material and train qualified candidates to become Certified Instructors to preserve the legacy of the art form and the club

I have started an on-going list of areas of focus in order to meet these objectives. I will be working with the Board of Directors, Certified Instructors, Black Belts, and the Club Officers since without them it will be difficult for me alone to meet these objectives.

I look forward to working with each of you and supporting you in your own goals and objectives for being a member of this Club.

Sincerely,

Kelly McInerney
